

Dispositifs de mesure de la glycémie non invasifs : attention aux arnaques !

[Dispositifs de mesure de la glycémie non ... | Fédération Française des Diabétiques](#)

The image is a screenshot of a social media post on a mobile device. At the top, the status bar shows the time 12:19, signal strength, Wi-Fi, and battery icons. The post header includes a back arrow, the text "Publication de Real Madrid Cast...", and a three-dot menu icon. The main text of the post reads "recommande sans hésiter ! » - Thomas". Below the text is a promotional graphic for a blue and white non-invasive glucose meter. The meter's screen displays a current reading of 5.6 mmol/L, a target range of 82-128, and a trend arrow pointing up. It also shows a date and time of 08:20 on 10/08. The graphic includes logos for the Fédération Française des Diabétiques, Inserm (Institut national de la santé et de la recherche médicale), and ANSM. A red speech bubble highlights "Précision 99%". At the bottom of the graphic are four circular certification logos: "FABRIQUÉ EN FRANCE", "EU-IVDR", "CE", and "MEDICAL DEVICES ISO 13485:2018". Below the graphic, the text "beautepulse.com" is visible, followed by "Certificat médical fran..." and a grey "Acheter" button. The bottom of the screenshot shows the social media interaction bar with icons for like, comment, share, and a search bar containing "Comm...".
